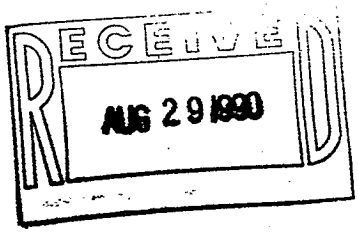
Dr David Stone
The Council for Tobacco
Research, USA
900 3rd Avenue
New York, N.Y. 10022
U.S.A.



Dear Dr Stone:

Please send me application forms and other relevant information about the application for a research grant from The Council for Tobacco Research, USA. My research area is cardiovascular with emphasis on the regulation of coronary blood flow and risk factors for the development of atherosclerosis.

Yours sincerely

Lennart Kaijser, M.D.
professor
